

51 Monroe St. Suite 1902, Rockville, MD 20850

Memorandum

Date: April 21, 2023

To: Clients and Friends of Quantum Financial Advisors

From: Joseph Rinaldi, President & CIO

Re: **Press Release: Two New Advisors Added to the Quantum Team**

The Firm announces the addition of two outstanding RIA's. As a senior advisor, Mr. Tiralosi will focus on expanding the firm's South East footprint. Mr. Huber will be focused on supporting our Pittsburgh regional office as well as managing our QFA-China efforts. See their outstanding bios below.

Mark R. Tiralosi, LUTCF, earned Bachelor of Science in Criminology and Master of Public Administration degrees from Florida State University. Mr. Tiralosi has been a licensed Life and Health Insurance agent in the State of Florida since 1991. He heads QFA's expansion in the SouthEast region. He primarily works with companies assisting them with their Employee Benefits. His specialties include: Health Insurance; Life Insurance; Disability Insurance; Dental Insurance; Vision Insurance; Retirement Plans; and Investments.

Mark has been active in NAIFA most of his career, serving as NAIFA-Central Florida President in 1997-98. He was NAIFA-Florida President in 2009-10. He also has served on the National level of NAIFA on several committees including the prestigious Governance Committee.

Over his career, some of his clients included: Transcontinental Records, The Backstreet Boys, NSYNC, O-Town, and The Golf Channel. He now has the privilege of working with Joe Rinaldi and QFA- Quantum Financial Advisors.

Michael Huber earned a degree in Economics from the University of Maryland. He is a registered investment advisor with Quantum, where he has been providing financial guidance to clients since 2018. He currently serves as the head of QFA China, where he oversees investment strategies and manages client relationships. Huber is passionate about helping people achieve their financial goals and is committed to providing personalized advice that takes into account each client's unique circumstances. He believes that effective financial planning requires a holistic approach that considers not just investments, but also personal values and life goals.
